MARCH 8, 2018

Flying Food Group's Chicago O'Hare kitchen has been awarded Best Performance of 2017 by Asiana Airlines, while its Seattle kitchen earned the title of Domestic Kitchen of the Year from Hawaiian Airlines.

Nicolas Rondeau, FFG executive vp, airline sales, said that customer awards "confirm FFG's commitment to optimal performance, 24/7."

In announcing the award, Paula Jansen, HA senior manager of catering, praised FFG Seattle for "dedication to outstanding performance and excellent customer service in all areas of operation".

This is the third consecutive year an FFG kitchen has earned this coveted award from HA.
