Airlines, caterers and suppliers alike were given due credit at the **2018 PAX Readership Awards** in Hamburg. Join us in congratulating the winners!

A crowd of more than 100 gathered at the Radisson Blu in Hamburg this past April to recognize the efforts of dozens of companies in the onboard services, amenities and interiors industries, as selected by *PAX International* readers. "Each year this event keeps getting bigger and better," says Aijaz Khan, publisher of PAX. "We were ecstatic with the turnout and the record number of entries we received this year, and I can promise that next year's event will be more illustrious than ever before." On the following pages you will find the winners of the 2018 Food Service/Catering and Supplier categories; for coverage of the 2018 amenities recipients, consult our [May 2018 amenities digital issue](#).
