

Flying Food Group expands

APRIL 16, 2019

Flying Food Group's Seattle facility (SEA) is now catering Japan Airlines' daily flights between Seattle and Tokyo Narita.

The new contract is the seventh JAL gate to be catered by Flying Food Group with services operating Japan Airlines at Chicago, Honolulu, Kona, Los Angeles, New York City, and San Francisco.

Speaking of the expansion Nicolas Rondeau, Flying Food Group executive vice president, airline sales and marketing said: "When an existing customer chooses Flying Food Group to cater a new location, it confirms their satisfaction with our quality and service."

Japan Airlines has been a Flying Food Group customer since 2001.
